Sir,

Subject - Appointment of the Revenue Inspector and the progress of collection of mohatarfa arrears at Closepet Town Municipality

With reference to your letter No L 3603 dated 7-10-41 and in continuation of this office letter of even number dated 31-10-42 on the above subject, I have the honour to forward herewith the detailed report received from the President of Closepet Town Municipality in the matter It is seen therefrom that due to the confused state of mohatarfa accounts and also the bad collection work, arrears to the extent of over Rs 20,000/- accumulated in the Municipality during the year 1939-40 A special Revenue Inspector was first appointed on 15-5-40 for the collection of arrears A statement showing the collections made by him as compared with the figures of the previous years is enclosed in the file for reference During the period there were different agencies for collection work Firstly, there were Patel and Thoti in addition to the Bill collector and the Revenue Inspector

As already intimated in this office letter No L6-4594/39-40 dated 22-12-41 the appointment of Patel and Thoti was abolished with effect from 1-7-1941 consequent on the appointment of a Special Revenue Inspector for this work This has been approved in G O No L 7220 -21 ML 39-40 dated Thereafter, only the bill collector and the Special Revenue Inspector were attending to the collection work The Municipal Council however pressed for revival of the old system

of the commission agency consisting of the Shanbhog, Patel and Thoti and the abolition of the post of the bill collector and the Revenue Inspector I considered that the work of mohatarfa collection by village officials would not be satisfactory, and so the proposal of the Municipal Council was not recommended for sanction

The continuance of the special Revenue Inspector referred to above had been sanctioned up to 31/12/41 as per G O No L 3093- 4 ML 1-41-19 dated 7-11-1941 The question of further extension was under correspondence Strictly speaking, the appointment ought not to have been continued without specific sanction of Government But it is reported that due to the heavy arrears still remaining uncollected, the post of the Revenue Inspector was continued till 18-8-42 from which date the post was ordered to be abolished, as resolved by the Municipal Council Now the collection work is attended to by the Bill Collector under the Supervision of the Assistant Sanitary Inspector as in some other municipalities

In his explanation enclosed in the file, the special Revenue Inspector submits that he was handicapped firstly by the abolition of the commission agency consisting of the Patel and Thoti and secondly that the mohatarfa accounts of the municipality were in confused state which he was required to rectify This work alone is said to have taken nearly 6 months The Sub Division Officer thinks that there is some force in what the Revenue Inspector has said

It is reported that the mohatarfa account have now been regularised and correct Baki Patti maintained

In these circumstance , I request that sanction of Government may be kindly obtained to the continuance of the Special Revenue Inspector's post up to 18-8-42 ratifying the action of the Municipal Council in continuing his services after the currency of the period of sanction covered by the previous Government Order The arrears in this Municipality are still very heavy and the bill collector cannot satisfactorily cope up with the collection work The Sub Division Officer and the President of the Municipali think that the revival of the establishment of the commission agency consisting of the Patel, Shanbho and Thoti for their posts is necessary

Separate action will be taken in this behalf after obtaining the necessary resolution from the President of the Municipality

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District
